# BILAN DES TAP A L'ECHELLE DU TERRITOIRE COMMUNAUTAIRE MENE AUPRES DES FAMILLES

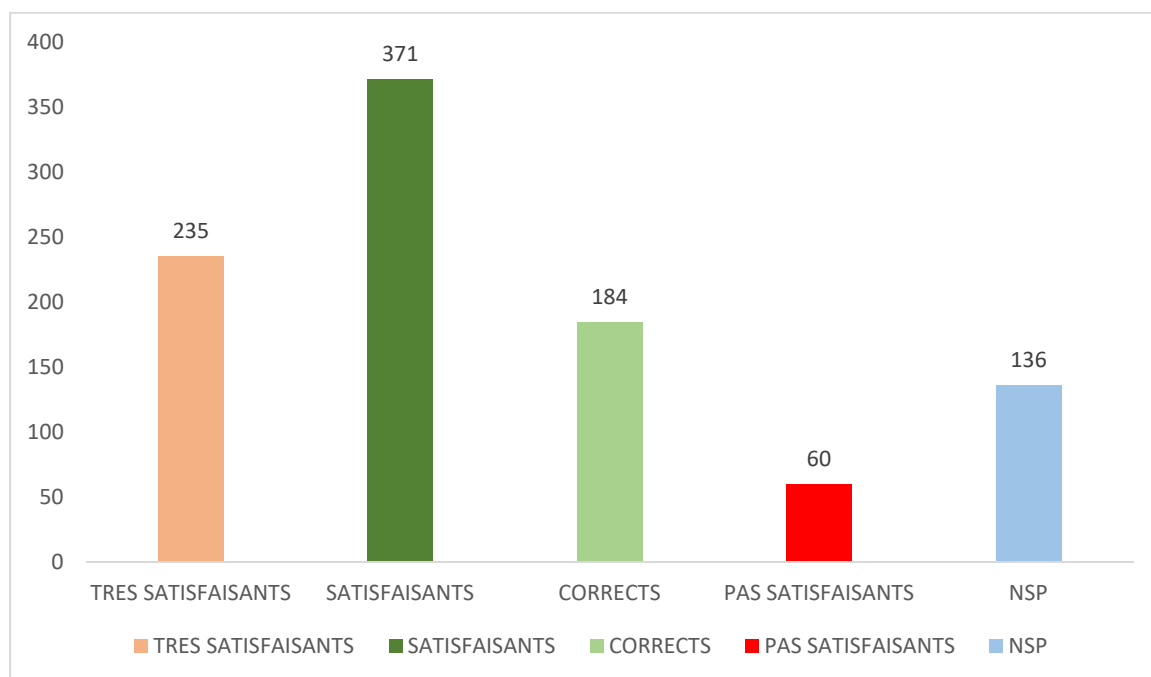

Perception générale :

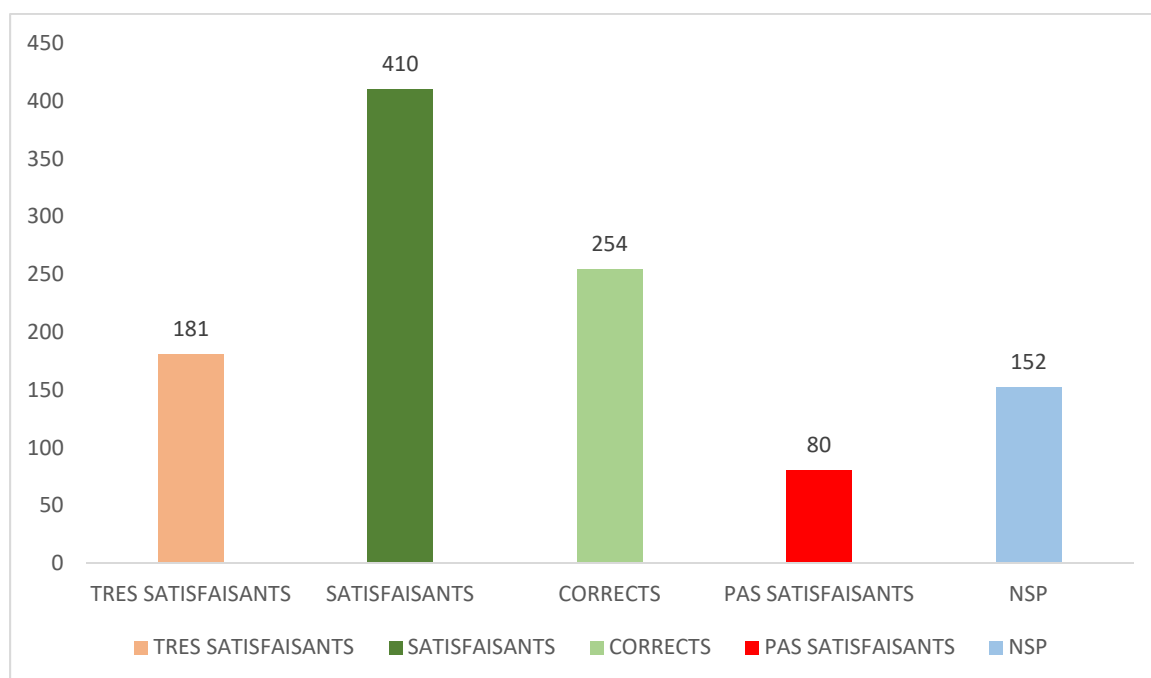

Echanges avec le(s) enfant(s)

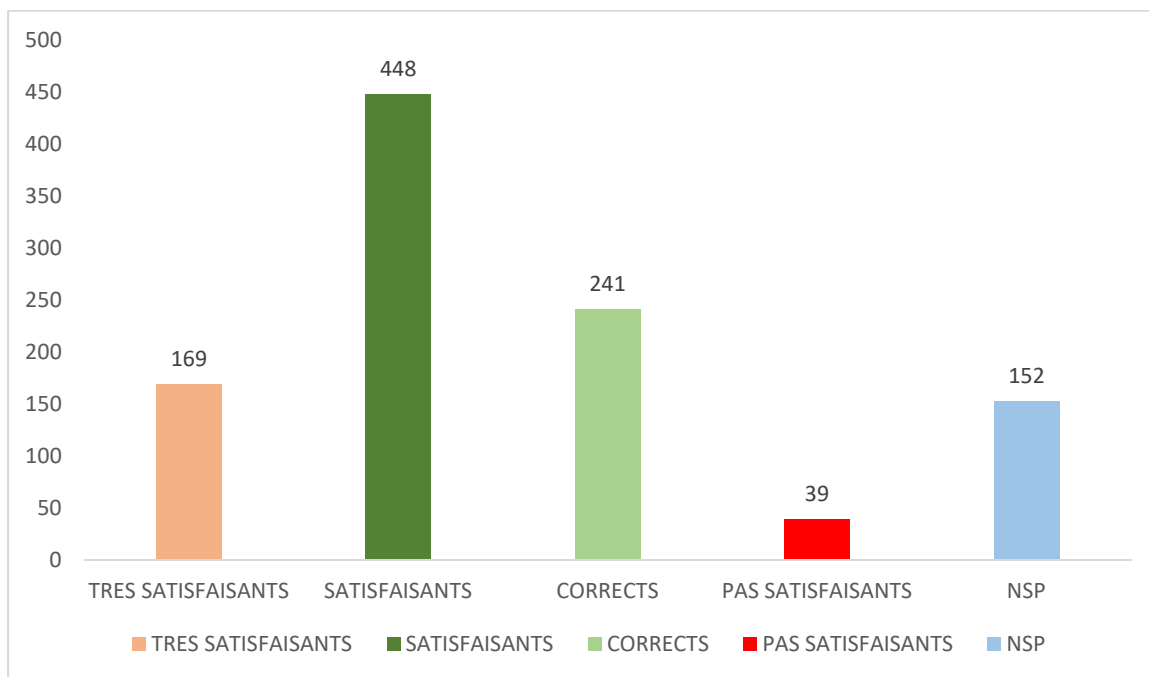

## Ressenti(s) de ou des enfant(s)

## Les activités proposées aux enfants

## La sécurité autour des activités

Le choix de l'OTS ressort clairement pour une semaine organisée sur 4 jours d'école. Toutefois, si les parents demandent un retour à la semaine des 4 jours, il n'en demeure pas moins que les activités proposées dans le cadre des TAP sont généralement appréciées.

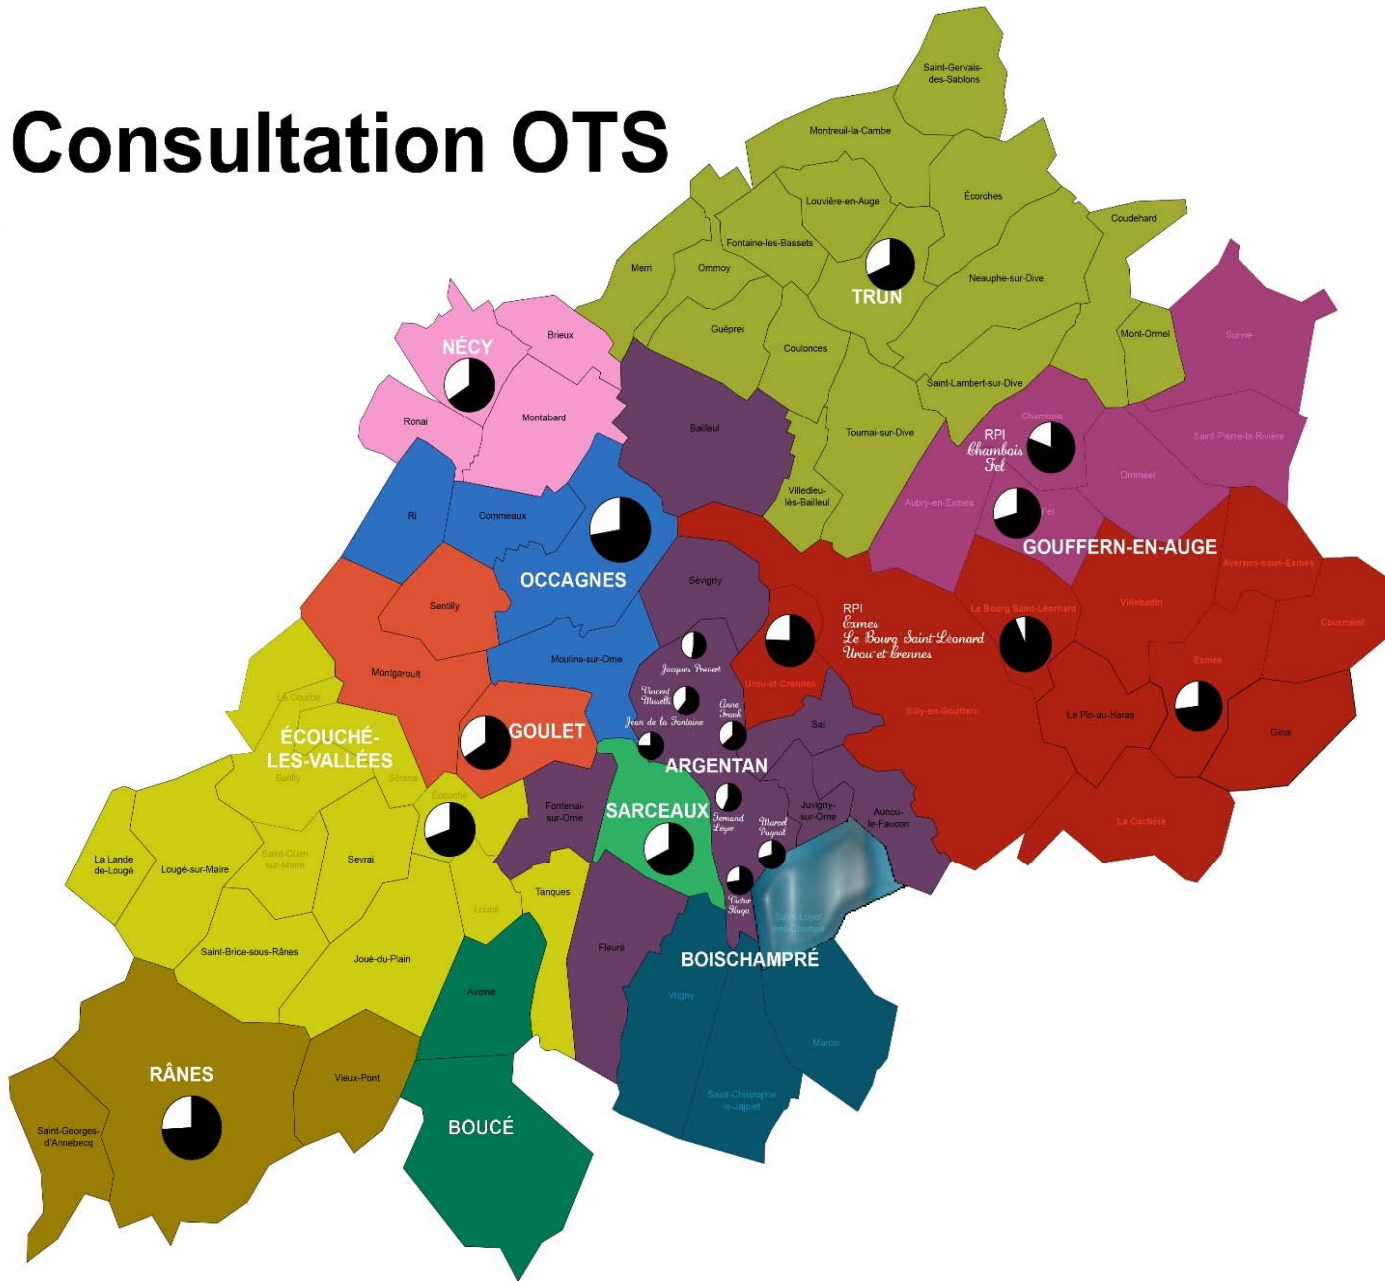

Pour ceux qui n'ont pas répondu à ce bilan, l'argument majeur est la non-participation de leur (s) enfant(s).

Le degré de satisfaction est clairement exprimé par les parents dont certains pensent que c'est une chance d'avoir accès à des activités gratuites et diversifiées.
